\* Our shipping is different. If you can wait a little while, you can save a bundle. Here's how it works:

We place one big brand order after orders arrive.

Brands ship the items to our warehouse.

We wait and group items together if we can.

Once ready, we ship the items from our warehouse.

Then we deliver the items to you.

**Most items ship from brand partners to our warehouse first**, and then ship from our warehouse to you. This takes a little more time, but allows us to save money and pass the savings onto you.

**Some items are already in our warehouse**, and don't have to wait to start their journey home to you. You can choose to ship them out from our warehouse sooner than the rest of your order for a small extra fee.

**Some items don't ship to our warehouse at all** — they just ship directly from the brand partner to you. **Occasionally, an item may take more time to ship to Marshfield Book & Stationery's warehouse or directly to your doorstep.** Items that typically take longer to ship include, but are not limited to:

- Made to order and personalized items
- Made-to-order furniture
- Lockers
